## Three Chord Blended Bourbon Whiskey

**TOP 100 SPIRITS 2019**

Our Kentucky, Tennessee and Indiana bourbons are blended and finished with our proprietary process of pyrolysis and chill filtration to create a balanced bourbon, greater than the sum of its parts! The nose has notes of caramel apples, honeycomb, and hints of orange peel and oak. The taste is velvety, and sweet at first, followed by spicy notes for an excellent balance and complexity. The finish is long and lingering with gentle spices and honey sweetness.

An excellent debut!  
(December, 2018)
